Braun NW Inc.
Human Resources
150 Northstar Road
Chehalis, WA 98532

Dear Sir or Madam,

I am contacting you in interest of the Final Assembler/Chassis position (Chehalis) you listed as an employment opportunity on your website. Attached you will find my resume.

After a long history of being an Emergency Medical Service worker in Lewis County, I suffered a career ending medical condition requiring a heart transplant. Due to the post care requirements of the successful transplant I am no longer to resume my EMS career. I am contacting you regarding you position as I believe my long EMS career (AMR & CARE Ambulance), a 23 year volunteer fire fighter (Dist. 6), coupled with my background of mechanical knowledge gained from our local family business (McKee Radiator) as a heating and A/C repairman, and local repairs completed on EMS units (AMR & CARE Ambulance), would be a great match for your position.

If you have questions, or if you want to schedule an interview, please contact me at (360) 740-9697. I look forward to meeting you to further discuss employment opportunities with Braun NW Inc.

Sincerely,

Gregory A. Pulver

Objective

My objective is to gain long-term employment with a local area business that provides product and services locally, statewide, and nationally. I believe my background, leadership and team oriented skills would be a great asset to any employer's business or work environment and its mission, values, and goals.

Work History
