

**Tim Hines  
(307) 696 – 7444  
818 D St Vader, WA**

Looking for a dynamic company to start a new career with. I have been working on cars, trucks, and bikes since the mid 80's. I'm able to R & R most anything as well as repairs or upgrades.

If you are looking for someone who can consult with customers, diagnose issues, complete repairs or builds I am prepared for the tasks. I have experience with customer service repairing and maintenance of vehicles, in addition I am diligent, organized and have great problem solving skills.

I look forward to meeting with you in person and discussing the details of a possible career with Braun Northwest. In the meantime please take a look at my attached resume. References are available on request.

**Sincerely,  
Tim Hines**

# Tim Hines
