Dear Hiring Manager,

I'm interested in the open position for the Assembler installer position, as well as the opportunity to grow with an exceptional company. I believe I am the best candidate for the job and will be a valuable asset to your company. I recently earned my AA in Electronics, Robotics & Automation. I learned how to assemble different electrical projects including 3 phase motors, VFDs and PLCs.

I am highly confident that I am worth the opportunity for this position and will be a strong addition to your company. My work ethic will prove that statement. I respect fellow co-workers as well as upper management and have the skills to add proficiency and production to this company. To discuss my qualifications

I can be reached at the number above or at my email address.

Sincerely,

Sean Munshower Jr
