RE: Cover Letter

To Whom It May Concern,

I'm interested in the position of Welder /Fabricator. I have experience in welding through my high school. I took welding classes all four years and completed advanced welding and Manufacturing. I'm experienced with ARC welding, MIG welding, and CNC machining. I took 1st place in the Washington state welding Competition and my team placed 3rd overall in 2019.

I'd like to work for Braun Northwest because I'm interested in beginning a career in welding and I've heard good things about your company. Thank you for reviewing this application. I look forward to hearing from you.
