Authorized to work in the US for any employer

Work Experience

Ware House Hand

Border States Electric

October 2014 to October 2016

Every day I worked with customers. I would receive an order either on paper or on the computer to pull and cut wire to the customer specification. I would have to load, unload and deliver orders. I have used the fork lift and maintained the machines. I have computer skills and know the metric system.

Supervisor- Michael Parker

10-13-14 to 10-19-16

Mechanic/Break out Machine/Yard Manager/Snow Removal/Weed Sprayer

Petroleum Services

August 2009 to October 2014

I have lots of experience in all the fields for Petroleum Services. I received my license in Weed Spraying. I over saw equipment, semi and semi-trailers, drilling pipes, catch tanks, and maintaining the yard making sure the yard was smooth and clean. I have unloaded and loaded semi-trailers. I have torqued up connections on drilling pipe, mud motors, casing, hangers and pups. I have driven the dump trucks, snow plows, sanders, and front end loaders. I have done a little welding.
