Dear Braun Northwest,

I am very interested in obtaining the opening for a paint prep. I would like to take this time to thank you for your consideration towards my possible employment. As far as the experience required for a paint prep position, I'm sufficiently qualified in automotive work from fabrication to mechanical. I have minor welding experience as well. A Lot of the experience I possess is a result of lots of private work for a multitude of individuals ive worked with and for. I believe that this would be an excellent fit for me and that I could be of substantial benefit to your team. If you have any concerns or questions about anything that could hinder my chances please contact me any time on the numbers provided above. Given the opportunity my actions will certainly prove my worth. I hope this adequate for the detailed cover letter required for consideration. Thank you, I look forward to hearing from you.
