WORK EXPERIENCE

Gravity High School

GED

Chehalis Wa | 2019

Spikes Automotive / Mechanic

September 2017 - April 2018, 21530 Old Hwy 99, Centralia Wa
My job consisted of learning the parts at use as well as the proper procedures for installation and removal of such parts. It also included cleaning the work space before and after a job has been completed. Keeping the workspace clean and the tools organized and ready for use was also a large part of this job.

Burger King / Cashier

May 2019 - May 2019, 713 Harrison Ave, Centralia Wa
My job consisted of learning to use a menu screen and memorizing the orders and combos in order to make the transaction flow smoother. It also consisted of cleaning my workspace as often as possible without interfering with or affecting customer satisfaction.

Stanton's Diesel / Mechanic

June 2019 - Present, 1817 Van Wormer St, Centralia Wa
My job consists of evaluating the vehicles that are brought in by the customer and locating the source of the problem. This job consists of having the ability to explain the issue to the customer in a way that they will understand. As well as how to repair the problem and any excess damage that may have resulted from the original source.

I am self driven and extremely hardworking. I will go to the furthest extent to complete the task at hand in the most safe and time efficient way possible. I am excellent at customer service and will always do my best to meet the customers expectations and ensure they are happy with the results of their visit.
