1 years experience as a shuttle driver and photographer for I-5 Auto Group

2.5 years experience operating and maintaining multiple types of CNC and non-CNC machines at Zev Technologies (formerly Mega Arms)

1 years experience as a CNC router operator at Creo Industrial Arts

10 months experience as maintenance at Lucky Eagle Casino

Professional Experience

Creo Industrial Arts

02/18 - 01/19

CNC Router Operator

Ran and maintained a CNC router for the last year, as well as aid multiple departments where needed.

- Operated and maintained a CNC router
- Deburred and prepped parts for the next department
- Set up and toolpathed files for cutting
- Collaborated with multiple departments for every project

Zev Technologies

10/15 - 01/18

CNC Operator

I was hired on by Mega Arms in 2015 as a CNC machinist in training, and continued to work there through the merge with Zev Technologies making AR-15/AR-10, Glock, and other components with extremely high tolerances and high demand for quality. I also spent time working in shipping and receiving, as well as quality control where I measured, went over, fixed, blasted, and got parts ready for shipment.

- Kiwa 4 axis CNC, HAAS CNC experience, as well as minor experience with Mazak 5 axis, and Matsura 4 axis machines
- Worked in shipping and receiving and quality control as well, depending on the work load
- Deburred and finished multiple types of parts while maintaining close tolerances and making hard shifts and tool comps where necessary
- Ran multiple machines in a single shift
- On job training

I-5 Auto Group

09/14 - 09/15

Shuttle Driver/Photographer

Spent half of a year as a shuttle driver for customers, and the other half monitoring vehicle inventory, photographing vehicles, and editing and uploading photos to the company website.

- Filed purchase orders for customers
- Transported customers to and from specified destinations

- Ran errands for mutiple departments, as well as delivering cash deposits to the bank on a daily basis
- Monitored and documented inventory at 5 different lots
- Photographed, edited, and uploaded photos of vehicles

Lucky Eagle Casino
Maintenance

07/19 - Present

- Clean, service, and fix industrial equipment on the property
- Guest services and hospitality
- Set up events

Education

Centralia Senior High School
High School Diploma
