Dear, Braun Northwest Inc.

Hello. My name is Zachariah N. Partain. I'm a young worker who is looking for, if possible, an immediate position in your company. I am looking for a good company to grow with who would seek to help me grow. I am a very traditionalist individual and I am very meticulous about my work.

I am aware that someone of my level of education is not someone that looks good on paper. I graduated in 2020 in February with my G.E.D. With no prior coursework it took me a week of studying to get above-average scores. The reason I did not graduate from High-school is because my parents took me out of public school before I ever entered a physical high-school. I have a wide range of experience in some part-time work and believe that I would succeed anywhere I am placed.

God Bless, Zachariah N. Partain
