Dear Hiring Manager,

Hello, I found this opened position. I know I could contribute very well to the team, with my retail experience and knowledge absorbent tendencies.

I have worked in retail , grocery as well as the restaurant industry. With the knowledge and experience I have acquired I know I can be a very good asset for this company, maybe among your best workers. I pride myself in learning as much as I can and working with purpose. I am positive I can bring great results to store sales.

I am looking for steady employment, where I can grow into the management field. However, I am content with full-time as long as I am given the opportunity to broaden my horizons, and expand my knowledge. I am looking for stable full-time employment, overtime is okay with me as well.

With the drive I possess, I promise, you will not be disappointed. I am always looking to better myself and bring honest, dedicated work to the table. Please consider giving me this opportunity, thank you and have a great day.

Sincerely,

Crisbeth Cirilo
