Braun Northwest- Application for Outside Sales Rep for Western Washington.

Thank you for the opportunity to be considered to be a part of the Braun Northwest team. A few reasons my application should continue onto the next steps of the hiring process include:

- Vast experience working on and around ambulances.
- Nationally Registered Emergency Medical Technician and certified in CPR/AED.
- A passion for the outdoors including five Mount Rainier summits.
- Honored as the Emergency Medical Service Provider of the year in 2017 for all of Washington State and presented by the president and board of the Washington State Firefighters' Association.
- Certified as a Water Distribution Specialist by Washington State Health Department.
- Licensed to operate a variety of equipment including forklift and fire engines.
- Nominated as Firefighter/EMT of the year for Lewis County Fire District Six.
- Almost 6 years of serving my community as a volunteer Firefighter/EMT.

Working as a team to complete major achievements is my passion and working in the area I grew up in is my career goal. Being self-motivated and working under stress in the eyes of the public and in emergency situations is something that has been instilled in me from previous positions and that will become important in helping the Braun Northwest team.

I would very much like to discuss the next steps in the hiring process with Braun Northwest team. To schedule an interview, please call me at (360) 880-9897 or Email me at shoemaker5@outlook.com.

Thank you for taking the time to review my cover letter and resume. I look forward to talking with you.

Sincerely,

**Justin Shoemaker**
