Dear Hiring Manager,

After learning about the position for an assembly worker, I'm eager to contact you about the position. I'm excited to learn the position and excel at it. I last worked at a local farm that grows chickens. I'm excited to get back into the workforce.

At my last job, I was tasked with operating and maintaining heavy equipment, it has given me the knowledge to acknowledge safety and teamwork. I was also tasked with repairing and assembling parts for the equipment when needed. I feel that I would be a great fit to the company because I recognise the commitment to teamwork, safety, accountability, and responsibility.

I'm eager to hear back from you regarding the position of assembly worker. Thank you for taking the time to read and consider my abilities.
