WORK HISTORY:

International Paper 04-11-2013 to 04-26-2021

Production Supervisor and Production Scheduler

As a supervisor I was in charge of converting and corrugator. Responsible for Safety, Quality, Production and waste for my shift. Additionally responsible for continuous improvement for throughput, downtime and set up times. I supervised departments for my first 5 years and then I was the Scheduler for the last 3 years. As a scheduler my duties were to plan production for the entire plant while minimizing waste and planning the machines to be the most productive as possible

Georgia Pacific 12-02-2002 to 04-11-2011

Production Supervisor and Shipping Manager

As a supervisor I was in charge of converting and corrugator. Responsible for Safety, Quality, Production and waste for my shift. Additionally responsible for continuous improvement for throughput, downtime and set up times. I worked my first 2 years as a machine operator then moved into production supervisor for converting and corrugator for the next 5 years.
