Re: Assembly Worker

Braun Northwest Inc

Dear Recruiter:

I was excited to learn about the Assembly Worker position with Braun Northwest Inc posted on your company website and would greatly appreciate your considering my placement in this role. I've closely reviewed the needs and requirements for this role and believe that my qualifications have prepared me to contribute immediate value to your organization.

While in school, I worked hard to hone my assembly, production and quality assurance skills. I am focused and attentive to detail when addressing high volume task loads to meet deadlines. I am inspired by making a positive impact by applying safety and compliance skills, and my problem solving abilities allow me to address challenges to achieve results.

My academic and work experiences have served me well in developing my communications, time-management, and motivation skills. I work well to use clear and concise communication to interact with co-workers, supervisors and customers. I look forward to speaking with you regarding my skill set and attributes, which I believe will serve as an asset to support Braun Northwest Inc's goals. Please take a moment to review my attached resume. Thank you for your time and consideration.

Sincerely,

Jasmine D Watson
