Hiring Manager
Braun NW Inc.

Dear Hiring Manager,

Thank you for the opportunity to apply for the Welder/Fabricator role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a quality-oriented professional who has been consistently praised as hard-working by my co-workers and management. Over the course of my 5-year career, I've developed a skill set directly relevant to the Welder/Fabricator role you are hiring for, including project management, product design and quality assurance. Overall, I have consistently demonstrated technical and problem-solving abilities in every aspect of my role at Catania Automotive Repair and Restoration as Owner/Lead Mechanic, and I invite you to review my detailed achievements in the attached resume. Since I started Catania Automotive Repair and Restoration, in January 2020, I have restored more than 10 classic muscle cars single handedly, fabricating the majority of my replacement parts and all of my added chassis structure components. I have countless hours of experience operating heavy equipment, including but not limited to forklifts, boom lifts and scissor lifts.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I am a quick learner and have over a decade of experience MIG and ARC welding, as well as over a year of TIG welding experience. I look forward to elaborating on how my specific skills and abilities will benefit Braun NW. Please contact me at (360) 784-2107 or via email at cataniac1995@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.
