## Work Experience

---

### **Debris separator**

Pacific Fibre Products - Longview, WA

April 2020 to Present

In charge of running debris separator to ensure rocks and other debris do not get mixed in with the lumber product

### **Offbearer**

Gram lumber - Kalama, WA

February 2020 to April 2020

Separate and pull full logs off roll cage utilizing lumber pick. while safely changing saw blades and paying attention everything going on in surroundings

### **Engineer Equipment Operator**

United States Marine Corps - Beaufort, SC

September 2016 to February 2020

As a Marine Heavy Equipment Operator I am responsible for the safe operation of all the gear we are appointed to operate. Such as D6 dozer, Medium crawl tractor, front loader, backhoe, excavator, and grader. We are also responsible for the daily preventative maintenance to ensure all equipment stays in working order. We are in charge of various jobs from all types of dirt work with dozers and buckets. To working with forks unloading trucks or loading a plane. Military operators have no problem following directions and know how to get a job done with little to no supervision.
