EDUCATION

Gov. John R Rogers – Diploma

Conestoga Wood Specialties

Second Shift Paint Lead

July 2020 – March 2021 (8 months)

- **Training and Crew Management**
 - Trained new and experienced employees
 - Lead crew through daily tasks
 - Ensure tasks and duties were understood between team members
 - Many team members did not speak the same language, so accommodations had to be made

- **Production Management**
 - Assessing daily paint supply demands
 - Organizing and tracking daily orders
 - Oversee the prep and sanding team
 - Maintaining shop equipment
 - Sanding booths
 - Spraying equipment
 - Various pieces of machinery and equipment
 - Quality Assurance for entire manufacturing plant

- **Painting**
 - Averaged 100 doors per day
 - Adhered to strict safety laws pertaining to storage, use, and disposal
 - Operated a 2-story hanging conveyor belt for spraying

- **Shipping**
 - Measured and labeled all doors to ensure manufacturing accuracy
 - Wrapped and packaged carefully to allow safe shipping

- **Safety**
 - Stored and disposed of paint and paint related materials appropriately.
 - Assured all team members met or exceeded proper safety protocol in a dangerous and fast paced environment
