Delivery Driver.

DoorDash Centralia-Grand Mound Wa.

August 2020 to Present

Dominos Delivery Driver

Domino's - Centralia, WA

February 2022 to May 2022

Delivery of food in a safe and timely matter for consumer and for business owner. answering of phones to take orders or to answer any questions the consumer has of the product.

General Laborer

Heritage Restoration Inc. - Centralia, WA

September 2021 to October 2021

Lots of demo work, removal of debris and securing of rooms from electrical outlets and issues, driving of company vehicles to the dump to remove load. Fire revival is what we also did saving products from the ruin homes they layed in. We would put them in a room with specific fog machine that helps remove the smell of fire along with specific cleans products to hopefully have it back like new!

Confectionery Attendent

Great Wolf Lodge - Grand Mound, WA

April 2021 to September 2021

Running of a small front counter bakery, there was also a grab and go case that was readily available, and special request orders like ice cream, and cotton candy. Lots of restocking, running on you're feet and having to be quick about you're job.

Grill Team Crew Member

Dairy Queen - Grand Mound, WA

May 2019 to June 2020

- Created nutritious, safe, visually appealing, innovative and properly prepared and flavored food.
- Operated fryers and grills according to instructions to maintain safety and food quality.
- Conducted daily inspections and maintained food sanitation and kitchen equipment safety reports.
- Followed proper food handling methods and maintained correct temperature of food products resulting in consistently high scores on health inspections.
- Assisted in preparation of menu items such as steaks, burgers and sandwiches.
- Set up and performed initial prep work for food items such as soups, sauces and salads.
- Weighed, measured and mixed ingredients to follow recipes and create dishes.

Farm Hand

Alexander Show Horses - Centralia, WA

June 2017 to May 2019

- Identified pests, weeds, and plants to determine appropriate selection of pesticides and fertilizers.
- Repaired buildings, fences, and other pertinent structures to keep animals properly contained.
- Checked fields for rocks or other obstacles to prepare land for tilling and physical preparation for spring planting.
- Maintained animal pens by raking up manure and putting down fresh straw and hay.
- Cared for livestock by feeding and watering all animals 3 times per day.
