EXPERIENCE

Quanex, Chehalis WA — *Shipping Dept.*

April 2022 - August 2022 (Seasonal)

- Screen door manufacturing
- Product packaging
- Inventory sorting
- Electronic and physical inventory management

Farmers Equipment Co. Burlington WA — *Service Apprentice*

February 2021 - April 2022

I started out as a lot assistant, however my responsibilities grew as I learned more about the industry and gained skills such as:

- Providing excellent customer service
- Irrigation systems installation
- General mechanical maintenance on company/customer vehicles and equipment
- Operation of heavy agricultural and industrial equipment
- Maintenance and installation of GPS guidance systems
- Intro to metal fabrication

UFP Washington, Snohomish WA — *Assembler*

September 2020 - November 2020

- Manufacture pallets, crates, and concrete forms with pneumatic nail/screw guns
- Package finished products and labeled for shipping
- Maintained a clean and safe working environment

EDUCATION

Sno-Isle Tech, Mukilteo WA — *Certificate of completion*

September 2018 - June 2020

Sno-Isle Tech is a trade school that a student could attend during the last two years of high school. I completed the Aerospace Manufacturing and Technology courses.
