Yard Worker

As a yard worker my first job is customer service helping customers find what they need, loading and the products into their personal vehicles. We also get truck loads of windows, appliances, roofing and other building supplies each week that I unload by hand and by forklift. Keeping the yard and different buildings clean and organized.

## **Education**

June 2018 Rochester High School Rochester, WA

High School Diploma

## **Personal Information**

I want to be up front and let it be known that I am on the Autism Spectrum and struggle with learning disabilities. I'm informing you of this not because I feel it is a down side. My Autism has giving me a very detailed and repetitive mind. My disabilities have not always been easy, but I don't let them stop me from making a better life for myself.
