Braun NW Inc.

RE: Fabrication Welder

Dear Hiring Manager,

John Daarud told me about your opening for a new Fabrication Welder, and they suggested I apply. Here's a little bit about my background.

I am a quick learner with abilities in monitoring equipment, operating equipment and osha regulations. I understand the value of time management and clear communication to get projects done right. My adaptability to work in many different environments will be an asset to your team.

Thank you for your time. It would be a pleasure to speak with you and discuss this opportunity with Braun NW Inc.. I look forward to hearing from you soon.

Sincerely,  
Bobby Trusty
