

Dear Braun NW,

My name is Alyssa Smith, I have worked in several different fields trying to find a career that best suits my interests. I have always taken an interest in the upholstery industry, though I have not had a formal training, I am a quick learner and pay extreme attention to detail. I feel I would make a great addition to your team, with a little direction to get me going! I recently moved back to Chehalis, from Montana. I am eager to find new work, and am available for an interview at any time.

Thank you.

*Alyssa Smith*
