EXPERIENCE

Cardinal FG, Winlock, WA — *Cold-End Technician*

November 2022 - December 2022

I was employed at Cardinal FG through Express Employment to work in the Cold End of a float glass manufacturing plant. I worked with various forms of machinery to help pack float glass for transportation, such as glass stackers, band saws, automatic plastic wrappers, and I was being trained in using a forklift.

EDUCATION

North Thurston High School, Lacey, WA — *N/A*

September 2016 - September 2019

I was enrolled here for 3 years, but had to drop out to support my mom.

Napavine High School, Napavine, WA — *High School Diploma*

November 2019 - June 2022

I later enrolled here in order to finish my high school education.

New Market Skills Center, Tumwater, WA — *N/A*

September 2021 - June 2022

I went here to take an extra CTE class alongside my education at Napavine High School, the class was based around teaching Firefighting/EMS skills to high school students.

SKILLS

Adaptability

Easily teachable

Good when working with a team as well as independently

Capable of making sound decisions during stressful situations

AWARDS/TITLES

Company Officer - I was selected to be a Company Officer during my Firefighting/EMS class at New Market Skills Center where I would take command of a 3 to 4 person team to complete assignments and various exercises, holding my position for the entire year.

Class President - I was elected as Napavine High Schools 2022 senior class president, I was involved in votes regarding the senior class, holding my position for the entire year.
