### **General Laborer**

Pinky's construction - Hawks Prairie

May 2022 to October 2022

- Utilized various tools, equipment, materials and forming systems to complete construction tasks.
- Anchored and braced forms and other structures in place using nails, bolts, anchor rods.
- Selected tools, equipment and materials from storage to transport to work site.
- Checked wood and other materials to assess for damaged or defective items before starting.
- Worked independently on projects and tasks within the carpentry team.
- Bore bolt holes in wood, masonry or concrete using an electric drill.
- Measured and marked cutting lines on wood and raw materials.
- Positioned and held timbers, lumber or paneling in place for fastening or cutting.
- Studied blueprints or building plans to prepare layout and materials required.
- Maintained a clean and organized workplace to optimize performance, efficiency and safety.
- Inspected tiles, wall coverings or woodwork for breakage or damage.

### **Groundsman**

Petrich Arbor Care - Centralia, WA

April 2021 to April 2022

- Conducted daily inspections, preventive maintenance and basic repairs on equipment to maximize safety and prevent costly breakdowns.
- Graded and stacked logs into appropriate locations for further processing or transportation.
- Cleared brush, pulled stumps and moved materials to maintain productivity levels.
- Trimmed dead and excess branches from trees and cleared branches around power lines.
- Maintained hand and power tools through proper operation, cleaning and maintenance.
- Operated loaders, boom trucks and tractors to complete tree trimming work.
- Promoted high customer satisfaction by resolving problems with knowledgeable and friendly service.
- Removed and properly disposed of debris to maintain worksite safety.
- Operated and maintained basic landscaping equipment and vehicles.

- Cleared pathways of overgrowth, debris and snow to reduce hazards.
- Used tools, equipment and winches to lift, move and bunch logs.

### **Order Selector**

United Frozen Foods Inc - Centralia, Wa  
January 2021 to March 2021

- Picked up heavy objects using proper lifting techniques to avoid personal injuries.
- Selected products and items from shelves and pallets for customer orders.
- Operated warehouse equipment with caution and according to manufacturer instructions to reduce risk of accidents and malfunctions.
- Read orders to ascertain catalog numbers, sizes and quantities of merchandise.
- Carried or transported orders to shipping locations or delivery platforms with material handling equipment.
- Attended company safety meetings to maintain knowledge of new and important information.
- Labeled boxes and placed in outbound collection areas.
- Limited damage to products and orders by using care when choosing items.
- Completed shipping paperwork, attached appropriate labels and scanned barcodes for tracking.
- Prepared products for packaging and shipping according to company specifications.
