Braun Northwest

RE: Paint Prepper

Dear Hiring Manager,

I am writing to express my strong interest in the position of Paint Prepper at Braun Northwest. I have been a professional for the last four years and have most recently been employed as a Lot Associate at a car auction company.

As evidenced in my role as a Lot associate, I possess a strong set of skills that are relevant to the success of a paint prepper. The most notable of these skills include reporting- which I learned working as part of a team to ensure that the parking lot was arranged properly at all times and that any necessary adjustments were made quickly and accurately.

My skills are complemented by a set of personal strengths that are equally applicable to the role of paint prepper. I am able to communicate effectively in order to collaborate with other team members and provide excellent customer service to ensure that cars are prepped correctly and in a timely manner. Additionally, my organizational skills have consistently allowed me to excel in multi-tasked environments.

I am confident that my knowledge and skills will make me a valuable asset to the paint prepping team. I am excited to discuss the position further and demonstrate how I can make an immediate contribution at Braun Northwest.

Thank you for your time and consideration.

Sincerely,
Elijah Tost
