Braun NW Inc.

Dear Hiring Manager:

Your need for an experienced Emergency Response Vehicle Chassis Modification/Modifier matches my background and career goals. With 30+ years of progressively responsible Aircraft Maintenance/Modification, Operations Management and Leadership experience, I am confident I can immediately contribute, given the opportunity.

Highlights of my qualifications most relevant to your needs include:

- ▶ Expert in facilitating changes in the workforce to support organizational operating and financial objectives while improving customer and employee satisfaction.
- ▶ Continually meets and exceeds growth goals and performance objectives in rapidly changing environments.
- ▶ Improving processes, regulatory compliance, risk administration, and contract negotiations.
- ▶ Excellent project management skills and the ability to take apart complex projects and break them down into instructions for all to quickly follow.
- ▶ Defining, implementing, and revising operational policies and guidelines for the organization.
- ▶ Overseeing support services and managing resource allocation.
- ▶ Strengths in emotional intelligence, critical thinking, business strategies, and data analysis.

These proven abilities can contribute to Braun NW Inc's continued success. I would welcome the opportunity to discuss my background with you and learn more about your company and its goals.

My résumé is attached and offers additional information about my specific achievements. I look forward to our conversation.

Sincerely,

Aaron Kreager
