

## **Christopher L. Buchanan**

*Project Manager*

Chris has much to offer from his 15 years of diversified experience in travels, education and professional work throughout the architectural and construction industry of planning, design, and construction. He will make sure that all expectations have been met for communities, home owners, commercial facilities, health care facilities, and veterinarian facilities. With his expertise in urban design and architecture he will complete all phases of construction. He will coordinate with all contractors, engineers, and other consultants for clients and government agencies. As a technically advanced professional in Computer Aided Drafting and Building Information Modeling, he will manage all projects with a meticulously and analytical attention to detail in meeting all project deadlines and quality control.

### **Education:**

Bachelor of Architecture (BARCH 5yr NAAB Accredited); University of Tennessee Knoxville  
Minor Urban Studies (BA); University of Tennessee Knoxville

### **Professional Affiliations:**

Member, Construction Specification Institute (CSI)  
AmeriCorps VISTA Alumni  
AIA Associate Member
