Work Experience

Painter/Laborer

R&E painting - Centralia, WA

April 2023 to Present

My job tasks while with r&e have included pressure washing, hanging doors and swapping hinges, caulking trim, doors and such, applying puddy to walls and trim, masking everything from floors, windows and doors to light fixtures and wires and such. I've got experience painting both inside and outside, I've done everything from spot primer to touch up and I'm comfortable on roofs and ladders.
